June 2016

Sizzling Summer!

Happy Birthday

Aurick 6/2

Ezra 6/3

Shades 6/22

Sprinkler days are coming up for all rooms. Keep an eye out for signs outside the classroom telling you what day water day will be!!

Blue Room will have their Picnic at the park field trip Thursday June 25 2015. We are looking for Blue Room parent volunteers to help. Please let us know ASAP if you can come walk with us. Lunch is provided.

During May the Infant Room welcomed a few new friends. Ms. Hannah has been taking some of the friends on walks, in the strollers, to enjoy the fresh air! Many of our infants have started baby food and cereal for the first time this month. As well as many of our infants have started to become mobile and are scooting all around the room!

During May the Peach Room continued to learn shapes, colors and sign language. Most of the kids know how to sign thank you, more and please! Lately the teachers have been working on fine motor skills and hand eye coordination by doing shape sorters and puzzles. The Peach friends love to dance & run races during large motor time. Lately they have been keeping up on their art with free painting and gluing. The class is looking forward to a little warmer weather so they can start outdoor water play!

June is here! Which means summer days are here!! The Yellow Room is excited for warm days on the play ground and water days!

The class is going to start the week off exploring all the fun aspects of camping! Starting with what we camp with, then camp fire stories and songs, then things to eat while camping. Maybe they will even built a tent of their own in the classroom.

In May the Green Room had fun making special projects for their mommies. The children cut flowers out of foam and decorated containers for the flowers to go into. They also drew sweet pictures of them with their mommies. April showers brought the classroom lots of May flowers. During camping week, they made tasty s'mores and talked about the gear needed to have fun outdoors! After their camping unit the class blasted off into space. They talked about stars, planets, and the solar system. In June another fun theme will be Summer Fun. The class will do activities that explore how to dress in the weather, the weather it self, and fun things we do during the summer months. Next the class will do special things for their Father's Day projects. Having fun at the ocean will be the last two weeks of June.

The class will talk about what lives in the ocean and why we can't drink the ocean water.

The month of May was filled with some exciting days! First was our Mother's Day breakfast. Next was our annual preschool graduation. Thanks to all of the parents that came and made that day special! Lately the class has been learning about the solar system. Each week they have been focusing on a different planet. The class is also learning about our environment and about recycling. The children cut out pictures in magazines of things that could be re-used or recycled. Then together the class glued them on a big recycling board. During community helpers week the kids talked about police men, fire men, paramedics, military people, mail men and many, many more. Each child made their own badge so they could help out the community as well.

Dad's & Donuts will be Friday June 17 @ 8:30am

Topics This Month

Peach

- * Ocean
- * Camping
- * Water Week
- * Red, White and Blue

- * Outer Space
- * 4th of July

Blue

- * Summer Vacation
- * Father's Week
- * A Day at the Beach
- * Summer Fun

Spotlight Teacher

Ms. Maggie

Maggie grew up in Lincoln and has lived here her whole life. She has two loving parents and one goofy younger brother. Childcare is a true passion of Maggie's. Starting this fall she will begin her Early Childhood Education classes at SCC. Altogether she has worked in childcare for 5 years. On the weekends Maggie enjoys spending time with her friends, family and boyfriend. Her favorite things are giraffes, coffee and of course Raising Canes. She loves working at Kelly's Kids because of the small tight knit relationships she has with her coworkers and parents.

Say Cheese!!

Ezra and Ms. Kirsten stirring the cookie dough.

Jace finger-painting.

Ms. Paige and Nolan enjoying their muffins.

Brayden just hanging out!

Who's New To Our Room In June?

Infant: Ethan, Beckett
