March 2016

Luck of the Irish

Happy Birthday

- Lillian 3-1
- Carter 3-1
- Hayden 3-7
- Natalie 3-8
- Easton 3-13
- Harlow 3-23
- Addison 3-30

We are having a door contest and need your help! Please stop by the office and let us know what Dr. Seuss door is your favorite!

In January the Infant Room welcomed 4 new babies! The teachers are very excited to get to know the new families and their babies. We are sad to announce that Ms. Marie will be leaving us, she has decided to go back to school, taking her place will be Ms. LeIda. Many of you already know LeIda, as she is our night supervisor and Infant closer. With lots of new little babies in the room, the teachers are working on tummy time and rolling over with each child. As for the older babies, they have enjoyed story time and working on large motor skills like walking.

In February the Peach Room loved celebrating Valentines Day and sharing with their friends. They enjoyed many gross motor activities such as heart walks, hops and dancing. They also explored their 5 senses with many sensory activities. The children took off their shoes and walked on bubble wrap, sand paper and contact paper but their favorite was painting with their feet! Peach Room friends also worked on learning shapes, colors, and sign language. It was nice to get outside and take the class on a walk.

The teachers are looking forward to March as the class will celebrate spring, music, Easter and Dr. Seuss's birthday.

This month the Yellow class explored with lots of sensory play. The children love getting their hands messy with moon sand, beans, rice, cotton balls, and shaving cream. The teachers even brought snow inside and let the kids make a snowman. With all of the snow we got the teachers thought it would be fun to have the class help make snow ice cream. It was so tasty!! In March we will be celebrating Dr. Seuss's birthday! The class is hoping for lots of warm weather so we can get outside and play!

The Green Room friends during February had fun getting ready for Valentine's Day. The class talked about their feelings and how they should treat them, talk to them, be kind and helpful to them. The children got messy eating worms (gummy worms), dirt (crushed cookies) and mud (pudding) for their animal home week.

Dental health week was the last theme in February and the class talked about how to brush their teeth and eat

healthy food. They also talked about what happens to their baby teeth. The green room friends are looking forward to the nice warm days in March. Kite flying, shamrocks, leprechauns, cute baby animals and fun time with Dr. Seuss will fill the classroom in March.

In February the Blue Room has made a change in teacher once again. Ms. Paige is taking Ms. Shelbi's place as she has had some health issues lately and is unable to work full time. The class has been working very hard on learning sight words. So far they have learned: and, I, a, an, here, the, is. Something new the class is learning is simple math equations and counting with manipulatives. This is fairly new but the kids seem to love it and actually understand it. Try it at home, give your child a handful of cheerios and a piece of paper with 1 + 1, 1 + 2, 1 + 3 and so on and they can show you what they have learned.

Topics This Month

Peach

- * Dr. Seuss
- * Music
- * St. Patrick's Day
- * Easter eggs & Bunny Rabbits
- * Spring is Here

Yellow

- * Dr. Seuss
- * Dr. Seuss
- * St. Patrick's Day
- * Easter
- * Book Week

Green

- * Dr. Seuss
- * Kites/Spring Clothes
- * St. Patrick's Day
- * Easter
- * Spring & Animals

Blue

- * Ocean
- * Dr. Seuss
- * Fiction or non-fiction
- * Weather
- * Sports

Spotlight Teacher

Ms. Hannah

Hannah is one of our Full Time Pre-K teachers. She has worked in child care for about 4 years at the Fallbrook YMCA. Where she bounced around in before/after school program, teaching dance & gymnastics, child watch and the front desk. Hannah's Dad works at an insurance company and her Mom at Starbucks. Having two older brothers Hannah is the youngest of her family. In her free time she enjoys playing with her Golden-doodle named Rusty. Her favorite food is spaghetti and she loves the Fall weather. She is fairly new to our staff so please make her feel welcome and introduce yourselves to her.

Say Cheese!!

Jack and Cogan just hanging out.

Krayton painting with his feet.

Ezra with his love bug headband.

Joey being silly.

Who's New To Our Room In March?
