June 2016

Independence Day!

Happy Birthday

Fae 7-5

Kendall 7-15

Ben 7-20

Hadley 7-20

William 7-17

In June the Infant Room welcomed Ethan, and Beckett. Our infants are growing so fast and learning new things like sitting up on their own, scooting around the room, trying new foods, and finding their voices. Lately a handful of them are even recognizing their own names. Ms. Hannah and Ms. Pamela have been playing chase with the balls to encourage the babies scooting around the room. Hopefully soon they will have a few children standing up and cruising around the room.

Peach Room started the summer off with a splash! The kids have been really enjoying water play days! They also have been going on lots of walks and looking and nature. Their favorite theme this month was ocean week, they read lots of ocean books, painted ocean animals and even play in the water tables. Ms. Sarah and Ms. LeIida have been taking pictures of their fun activities, make sure you take a peek at them! Peach Room is looking forward to new friends starting soon and enjoying the rest of the summer weather!

In Yellow Room the month

of July will be spent learning lots of very important things. The class will be going over ABC's, numbers, colors and shapes. Ms. Steph and Ms. Kirsten have lots of activities, songs, games, and crafts planned to help the children learn about Independence Day. Just a quick reminder water day is on Tuesday, please remember your suit, towel and sunscreen. As most of you know Ms. Kirsten is due to have her baby any time now, Ms. Maggie will be covering until she returns.

To make Father's Day special in the Green Room friends made their daddies water bottle holders and tic tac toe games. The hot summer days got the Green Room thinking about sand and water. They used sand to create a cool beach picture. A trip to the ocean was a little tough to do so the class read books and created seahorses, sharks, sea turtles and painted seashells. During July the class will make fireworks pictures with chalk and other patriotic themed activities. Healthy eating habits are important and start when we are little. The class will talk

about the 4 food groups and all the yummy things we need to grow big and strong. We will then make some cool tasty treats that will make the hot summer days more sweeter. During the last week we will be exploring sports, learning about the rules of play and good sportsmanship. Playing sports is a fun way to exercise and keep healthy.

In June the Blue Room continued to learn about each planet. Each week they have been focusing on a specific planet, currently they are on Neptune. During Summer Vacation and Summer Safety week the class discussed activities they do during the summer, and how important it is to wear sun screen and be safe around water. Lately Ms. Paige and Ms. Hannah have been switching things up a bit, they are now teaching the children how to spell their sight words and how to use them in a sentence. The Father's day breakfast was a hit, every dad showed up! Thanks for taking time out of your morning to enjoy a donut with your child.

**Reminder
Kelly's Kids
will be closed
Monday, July
4th in ob-
servance of
Independence
Day.**

Topics This Month

Peach

- * Beach
- * Zoo

- * 4th of July
- * Food Groups
- * Summer time Sweets & Treats
- * Sports

Blue

- * Fire Trucks
- * Water Safety
- * My Plate
- * Baseball

Spotlight Teacher

Ms. LeIda

Lelda is the youngest of 5 children. She's a mother to 3 amazing kiddos; Zayda is 11, Akira is 7 and Makhi is 6. Recently Lelda got married to her high-school sweetheart. Her passion is working with children. She's been in the child care field for as long as she can remember. Her favorite part of working with children is watching them learn new things. In her spare time Lelda likes spending time with her family, shopping and working out.

Say Cheese!!

Oliver loved the new blue bouncy ball!

Ben playing with the truck.

Nolan giving his dad his Father's day present.

Stella was super excited to have her dad come eat breakfast with her.

Who's New To Our Room In July?

Infant: None

Green: Azayla, Nolan

Peach: Zenorina

Blue: Carly

Yellow: William, Ashley
